# Meet Apollo!

***HE IS A DOG AGAINST  
CLOGS.***

Wash Your hands

Flush the toilet

"FINISH COLORING OUR HERO"

Apollo is here to teach  
us how to stop Clog  
Monster!

Wash Your hands

Flush the toilet

Clog Monster gets bigger  
when we put things in  
the toilet that don't  
belong there.

Be a hero like Apollo.  
Don't feed Clog Monster!

Wash  
Your  
hands

Flush  
the  
toilet

When we feed Clog  
Monster and put things in  
the toilet that don't  
belong there, it breaks  
the toilet and puts the  
wrong things in our  
water!

Flush  
the  
toilet

Wash  
Your  
hands

This is Artemis. She is  
friends with Clog  
Monster.

Artemis likes to feed Clog  
Monster by putting things  
in the toilet that don't  
belong in there!

You and Apollo can stop Artemis and Clog Monster by making sure that you always close the lid after you are done using the toilet. That way Artemis can't feed Clog Monster!

If you want to be a hero like Apollo,  
practice coloring in what belongs in  
the toilet and what doesn't!

If you see this Do Not Flush  
symbol on wipes, do not flush  
them in the toilet!
